

The Doorpost Songs: This Is Love

Finish the Race - Lyric Sheet

Based on Hebrews 12:1-3

Verse 1:

Since we are surrounded
By those who've gone before
Let us throw away everything
That hinders as we go
Since we are surrounded
By those who've gone before
Let us throw away all the sin
That tangles up our souls

Chorus:

Fix our eyes, oh
Let us fix our eyes on Jesus
The author of our faith, and
Let us run, oh
Let us run with perseverance
Oh Lord, let us finish the race

Verse 2:

Since we are surrounded
By those who've gone before
Let us throw away all the sin
That tangles up our souls

Chorus:

Fix our eyes, oh
Let us fix our eyes on Jesus
The author of our faith, and
Let us run, oh
Let us run with perseverance
Oh Lord, let us finish the race

Bridge:

Think of Him
Who for joy would endure the cross
Scorn its shame
And sit down by the throne of God
Think of Him
So that you will not lose heart

Think of Him

Who for joy would endure the cross
Scorn its shame
And sit down by the throne of God
Think of Him
So that you will not lose heart
And finish the race

Chorus:

Fix our eyes, oh
Let us fix our eyes on Jesus
The author of our faith, and
Let us run, oh
Let us run with perseverance
Oh Lord, let us finish the race

Chorus:

Fix our eyes, oh
Let us fix our eyes on Jesus
The author of our faith, and
Let us run, oh
Let us run with perseverance
Oh Lord, let us finish the race
