The true light that gives light to everyone was coming into the world. He was in the world, but though the world was made through Him, the world did not recognize Him. He came to that which was His own, but His own did not receive Him. But to those who did receive Him, to those who believed in His name, He gave the right to become children of God.

And it has not overcome, darkness has not overcome

C#m7 **A2** **Bsus**
And it has not overcome, darkness has not overcome
